February 2024

Dear Parents/Carers

To launch the start of our exciting topic this term of 'Amazing Inventors', Year 5 will be holding a themed day. Our Eggcellent Eggstravaganza will be held on Monday 4th March 2024.

Children will have the opportunity to participate in a variety of experiments, challenges, tasks and quizzes.

Classes are invited to wear fancy dress on this day to enhance the experience and fully embrace the learning opportunities. This could be as a mad scientist or even a crazy inventor!

Think crazy hair styles, rubber gloves and white tops.

Also, to be as inventive as possible we will require any junk modelling resources such as cardboard boxes, cereal boxes, egg boxes, toilet roll tubes, yoghurt pots and plastic bottles. We would greatly appreciate it if these could be brought into school as soon as possible.

We look forward to sharing this day with you all and seeing your creative costumes.

Year 5 Teachers

'If we believe, we will achieve'
