

## William Read Primary School Governing Body

### Statement of Behaviour Principles

#### **Background**

Section 88(2) of the Education and Inspections Act 2006 requires the governing body to:

- a. make, and from time to time review, a written statement of general principles to guide the head teacher in determining measures to promote good behaviour and discipline amongst pupils;
- b. notify the head teacher and give her related guidance if the governing body wants the school's behaviour policy to include particular measures or address particular issues.

This statement is to be taken in conjunction with the school behaviour policy which is reviewed and approved annually by the governing body.

#### **Our Mission**

Our mission is to create an inclusive environment encouraging forward thinking, determined, successful pupils, who will draw inspiration from each other.

This will be achieved by promoting our core values of teamwork, respect, responsibility and achievement and nurturing their responsibilities as members of society.

Pupils will develop lifelong skills to use in an ever changing world and understand that working together in an honest and respectful partnership is the way forward.

#### **Our Principles**

Staff and pupils will be polite and respectful at all times, to each other and to visitors.

Any form of discrimination or bullying will be addressed promptly.

Staff and the governing body will provide opportunities for pupils to take responsibility and be involved in decision making, where appropriate

Staff will be fair and consistent and foster a culture in which pupils' achievements are recognised and celebrated

Staff will be empowered to take prompt and effective action when pupils behave inappropriately.

The school will work in partnership with home and external agencies to maximise the chances of every pupil behaving responsibly.
