

Dojo Message 1st March 2021

Dear Parents and Carers,

We've reflected on our staggered times and made some changes ready to open on Monday 8th March.

Whilst waiting outside the school adults must socially distance, 2 meters is still the distance. We ask that you wear a mask for this too.

Whilst on site, adults are to wear face masks unless exempt.

We will not be running the system for siblings that we did before. We have shortened the waiting times, so parents can wait for siblings to be released at their allotted times on the playground but **MUST** socially distance and wear a face mask.

Once all children have been collected, make your way promptly to the gate on Long road.

Nursery: Use the Nursery gate on Long Road

Reception: Use the Craven Avenue Entrance, drop off children from the coloured fence area, then exit via the Long Road gate.

Morning drop off 9:00

Afternoon pick up is 3:05 Pick up children from the coloured fence area, wait for siblings on the playground, then exit via the Long Road gate.

Year 1/2: Use the Craven Avenue Entrance, drop off children to the steps area, then exit via the Long Road gate.
