

In **MATHS** we will be studying a number of areas including: counting, place value, relationships and calculating, securing number facts, measuring and understanding shape, and handling data and measures.

In **SCIENCE** we will be learning about Teeth and Eating. Children will carry out investigations and learn about how to conduct a fair test. They will record their results in a variety of ways.

In **ART** we will learning how to draw from observation with a range of media , including charcoal , pastels and pencil.

Children will be creating their own cave paintings and using clay to make coil pots.

Juniper and Beech Class

Our theme this term is

Stone Age to Iron Age life

We will be learning about...

In **PE** children will be taking part in multi skills and gymnastics. They will need to have the correct PE kit of a red t-shirt, black shorts and black plimsolls/trainers in school at all times.

In **ENGLISH** we will be writing for a range of purposes including poetry inspired by the Stone Age , Stone Age adventure stories and non-chronological reports about life in the Stone Age.

Children are expected to read for 20 minutes every night and quiz regularly.

Spellings are learnt each week using Schoolslinks website and the national curriculum spelling lists.

In **COMPUTING** children will be creating their own Stone Age power point slide show and focusing on programming and algorithms.

In **HISTORY** children will study life from Stone Age to Iron Age looking at artefacts and other evidence sources.

In **RE** we will be learning about Jesus baptism and his ministry.
