

Dojo Message 7th January 2021

Thank you to all those parents who have completed this form already, we will be in touch with you shortly.

If you haven't please note:

We are trying to gather information regarding who has and who has not got access to devices to access our online learning programs.

If you have got devices and you are accessing the online learning fully (without any issues) could you too please fill in this form as it gives us a good idea of how many can fully access it.

If you have devices but are having some issues, or you do not have enough internet access or some other technical issue, please take the time to fill in this form. We will use the information to provide some in person support sessions, where by you will be able to bring in your devices so we can try and help you connect fully.

Kind regards,
Mrs G
