Dear Parents and Carers,

GUITAR, BASS AND DRUM LESSONS

As you may know, as a musician myself I would like to bring more music back to William Read.

We are pleased to once again offer guitar, bass and drum lessons to our pupils. The lessons are for fifteen minutes per week and take place in school time. The cost of the lessons are £7.00 per week and will commence every Monday from 20th January 2020.

There are four weeks of lessons before half term and then six weeks until the Easter break and therefore the first set of lessons would cost £70.00. This payment has been set up on ParentPay and can be paid in two halves. The first payment is due on Friday 17th January 2020.

Pupils may bring their own guitar or bass, but the school does have its own instruments that pupils can play.

As the pupils learn their instruments we would like to introduce a rock band to the school. This gives pupils the opportunity to play as part of a band and give them performance skills to showcase their talents to the rest of the school.

Yours sincerely,

Mr. T. Martinson
Headteacher

GUITAR, BASS AND DRUM LESSONS
