Dear Parents and Carers

### Mini Tour de France

Our new unit of work for this half term is 'Are we there yet?' which involves learning about different modes of transport and journeys.

The Tour de France is a famous bike race that is held annually. We'd like to create our own mini Tour de France on Wednesday 26<sup>th</sup> February.

We are encouraging children to bring their bike (balance or pedal) or a scooter if they don't have a bike, to school in the morning (these will be kept safe in the reception playground during the day) and from 10.45am we will ride around in teams, following a route, considering direction and avoiding obstacles. This is an excellent opportunity for children to develop their moving and handling skills. Children will also need a cycle helmet.

If your child doesn't have a bike or it is difficult to get their bike to school, please let your child's class teacher know and alternative arrangements can be made for them. If the weather is bad, we will send a dojo message cancelling the event in the morning.

We hope this will be an enjoyable session for all.

Many thanks

Yours sincerely

Mrs Coombes / Mrs Peters and Ms Khokher
