

Message from Mr. Martinson

We've experienced another week that has just whizzed past. We started off on Monday without a network and the internet which helped us to realise just how much this is used now, especially as we are still having assemblies and meetings virtually. It was restored on Tuesday but it was still challenging.

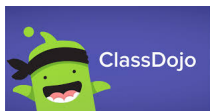

I have had the pleasure of observing teachers teach and have spent time watching Nursery make play-doh, year 5 Maths, year 4 Maths and PE, Year 1/2 English and am looking forward to seeing the rest of the school soon. The children have worked really hard and have impressed me with their behaviour.

Covid-19

As you may have seen on the news, from Thursday 20th advice for staff to wear masks stopped in the classrooms but continued in communal areas like; offices, staff rooms, halls and corridors.

Parents do not have to wear masks outside, but if parents come into school, they should still wear them as it's an enclosed communal area.

We are regularly reporting our cases to Essex and will be told if and when to step up our measures again.

Our Dojo Champions this week are:

- Nursery Sophie Hickin
- RCP Josie McMullen
- RR Bobby Doyle and Poppy-Louise Hayward
