

Message from Mr. Martinson

I have been disturbed by the wonderful sounds of year six blending refreshing aquas frescas drinks linked to their topic on Mexico. They looked like they were having great fun and learning at the same time which was great to watch. In fact the hall has been full of interesting things this week with sports clubs and music.

Football

On Wednesday, I walked with the football team to Northwick Park, as we'd arranged a friendly match with them. Mr Austin had prepared a 9 a side team but Northwick could only field 7, so we've arranged a second match so that all the players get a game. They played really well but the ball just wouldn't go in the goal in the first half and we lost. Their behaviour was impeccable and the spirit of fair play was upheld. I look forward to next week.

Attendance

I have met with lots of parents with regards to attendance. Now that we are all back to relative normality, we expect the children to come to school. We have met with parents to discuss absences and patterns and asked if we can support them in any way. It is important for your child's education and development that they attend school every day.

Red Nose Day on Friday 18th March

This year we will be celebrating Red Nose Day by asking the children to unleash their inner superhero!

Find something that makes you feel good and turn your superpower into a way of making others feel fantastic!

Whether you're a great goalkeeper or a superb singer, we want you to dress to impress on Red Nose Day.

It's time to celebrate YOU for being YOU!

We look forward to seeing the children's inspired looks, as always we ask for a £1.00 donation to support the great work that the charity carries out worldwide and within the United Kingdom.

Thank you, The School Council.
