

**Message from Mr. Martinson**

I'm afraid that I have been absent for the last week due to an operation. All being well, I look forward to returning next week but have left the school in the very capable hands of Mrs Saville and Mrs Dove who are supported by an excellent team.

**Young Voices**

The choir represented us at the O2 for the Young Voices celebration. They behaved perfectly and sang with enthusiasm. Thank you to Mrs Austin for teaching and leading them and also to Mrs Giles and Mrs Walker who attended alongside to ensure that the day ran smoothly.

**Year Six SATs**

This week year six did their SATs. The first year to do so for two years! I am assured that all went well and the year six were treated to inflatables and activities to reward them. Well done year six!

**Road Safety**

I was made aware of a very near miss involving one of our pupils. Please ensure that your children wear cycling helmets if they are cycling to school. We have spoken to the individual but please make your children aware of the dangers of the roads.

**A message from the School Council**

As a school we will be celebrating the Queen's Jubilee during the week beginning: 23.05.22. Currently all the teachers are working hard to create fun and exciting ideas to support the children's learning.

We have also worked hard to create some lovely activities for all of the children to enjoy. We will be having a 'Best in Show' competition on Friday 27th May. In order to take part in the competition we are inviting all the children to create something at home linked to this special occasion. This can then be brought into school and will be shown in the assembly on Friday. Perhaps you would like to build Buckingham Palace out of cardboard tubes? Or you're a budding artist and would like to draw a picture of HRH Queen Elizabeth II. Perhaps you would like to make a Paper Mache crown. We cannot wait to see your pieces of art and we hope you have lots of fun creating!

We would also like all the children to either dress up Royally or come to school on this day wearing red, white and blue. We do not expect you to go out and buy anything specifically for this occasion but hope that you can enjoy getting creative at home. We look forward to seeing lots of colour in our school to continue our celebrations for the Queen's jubilee.

In school we have lots of other activities planned - but we cannot share all of them with you just yet! Watch this space!

Please **DO NOT** park on the double yellow lines outside the school gate when dropping children off in the morning. It is a very narrow road and this is a danger to those trying to access the school.

Thank you for your support.
